JW MARRIOTT HOTEL LOS ANGELES AT L.A. LIVE
Redefining classic food and drink in downtown Los Angeles

LOS ANGELES - The energy and excitement of downtown Los Angeles bursts through the lobby at the JW Marriott Hotel Los Angeles at L.A. LIVE. Senses are awakened with a visual spectrum of sound and light while varied vignettes provide an ideal atmosphere to enjoy a meal or snack before a meeting or an event. The food and beverage offerings are sophisticated yet approachable, offering a sampling of the inspired global cuisine that sets Los Angeles apart as a culinary destination.

The hotel partnered with acclaimed chef Kerry Simon, known for his 'rock and roll' cuisine to create a menu of modern classics that complement the music and entertainment scene surrounding the hotel. At the helm of the hotel's culinary operations is Executive Chef Eric Branger who has worked with Ritz-Carlton Hotels for over 16 years. Branger and his team worked closely with Simon on the menu development and concept of **LA Market**, the hotel's signature three-meal restaurant, to create a menu that celebrates American comfort food as well Angelino's culinary favorites. Executive Pastry Chef Ramon Ramos, who has worked with Ritz-Carlton hotels for 19 years, oversees the entire pastry team that creates all of the hotel's pastries and breads daily.

The beverage program encourages exploration with innovative cocktails and a diverse list of wines. Beverage Director Christine Krenos joined forces with famed mixologist Francesco Lafranconi, Director of Southern Wine & Spirits' Academy of Spirits and Fine Service, to create a menu of cocktails that are forward thinking yet familiar at an approachable price point. The cocktails, all handcrafted with the season's best ingredients, pay tribute to the Los Angeles lifestyle with names like *Broken Dream*, *Hollywood Groove* and *LA Mojito*.

Glance, the vibrant lobby bar, offers small bites for guests to enjoy while sipping a cocktail or glass of wine. Glance dishes include *La Cuercia Prosciutto Pizza* with arugula, lemon and garlic, *Seared Tuna Tacos* with cabbage slaw and salsa fresca and *Parmesan Meatballs* with roasted tomato sauce, olive oil and grilled bread. The beverage list offers an array of wines by the glass including global selectios like *Dom Perignon* and California favorites such as *Cakebread Cellars*. Libations at Glance include the *Orange Flame* with Bacardi Superior Rum and freshly squeezed blood orange, as well as the *Verbena Collins* with Patron Silver Tequila, chartreuse and verbena.
